ROULETTE

INSIDE BET These are relatively specific bets which carry greater risk (unless multiple inside bets are spread over the board) of course greater risk also carries greater potential returns.

Inside bet	Description	Payout	Example
Straight Up	A bet directly on any single number	35 to 1	❖
Split Bet	A bet split between any two numbers	17 to 1	❖
Street Bet	A bet on a row of 3 numbers	11 to 1	❖
Corner Bet	A bet on 4 numbers	8 to 1	❖
Line Bet	A bet on 6 numbers over 2 rows	5 to 1	❖

OUTSIDE BET These are spread out bets with better odds at lower returns. Note the zero is never covered by outside bets

Outside bet	Description	Payout	Example
Column Bet	A bet covering 12 numbers, just under a third of the table	2 to 1	❖
Dozen Bet	A bet covering a set of 12 numbers low (1-12) mid (13-24) and high (25-36)	2 to 1	❖
Colour Bet	A bet on either red or black	1 to 1	❖
Even/Odd Bet	A bet on either even or odd	1 to 1	❖
Low/High Bet	A bet on half the numbers either 1-18 or 19-36	1 to 1	❖
